## Instructions

1. Take your 14.85cm x 21cm piece of Cherry Cobbler and score at 10.5cm. Burnish the fold line.
2. Take your 14.35cm x 10cm piece of DSP and adhere to the front of your card.
3. Take your 20cm x 11.35cm piece of Cherry Cobbler Cardstock and score on the long side at 7cm & 14cm.
4. In the 6cm panel from step 3. Cut off on an angle from the centre fold to the bottom corner.
5. You will need three 10.85cm x 6.5cm pieces of DSP to decorate your gift card pocket. One for the front, two for the inside. Adhere these on and then along the bottom of the triangle piece run a fine bead of glue and adhere down to create your inside pocket as shown in bottom right photo.
6. Take your 40cm piece of Gold Ribbon and adhere to the back of your gift holder. Make sure your tails meet off to the right side evenly and tie in a bow.
7. Adhere this piece to the front of your card using Multipurpose Liquid Glue.
8. Take your 6.5cm x 3cm piece of Basic White and using your Cherry Cobbler ink stamp "Merry Christmas" words. Adhere this to your 7cm x 3.6cm piece of Cherry Cobbler and using Dimensionals adhere over your ribbon on the front.
9. Place your three 2021-2023 In Color Opal Rounds or Brushed Metallic Dots as you prefer on the front of your card.
10. Take your 14.35cm x 10cm piece of Basic White and a (matching from the front of your card) 13.9cm x 2cm piece of DPS and adhere to the right side of your paper with a small border.
11. Using words from the stamp set and Cherry Cobbler ink stamp your sentiment for the inside of your card and adhere inside your card.
12. Decorate the front left of your envelope with a (matching from the front of your card) 10.9cm x 2.6cm piece of DSP.
